

PLANS OF FRANCE FOR SOLUTION OF GERMAN PROBLEM

Would Assume Control of All German Finances

(By The Associated Press)

PARIS, Oct. 20.—Complete and rigid control of all German finances, power to veto expenditures and regulate taxation and authority to dictate the arrangement of the budgets of the various states are among the chief proposals contained in the plan of the French government for a solution of Germany's financial difficulties and for placing that country in a position to meet her reparations payments.

The plan was submitted to the reparations commission tonight by Louis Barthou, the French representative of the commission and discussion of the project will begin tomorrow.

Also not mentioned in the official summary M. Barthou's plan contemplates a meeting of leading business men of the world to determine Germany's capacity to pay and to consider the question of the interrelated debts.

The plan in effect is a reply to the direct reparations project recently before the commission. It differs radically from the British point of view. M. Barthou urges the calling of a Brussels conference to deal with a broad reparations settlement and allied debts and the question of German payments in 1923 and 1924. France would limit the powers of the reparations commission to the application of new guarantees and reforms for Germany, leaving the more comprehensive issues to an international meeting.

The proposition gradually would put Germany on a gold basis beginning with an issue of gold treasury securities.

Pay Paper Obligations.

M. Barthou would have Germany pay her outstanding obligations in paper currency and he calculates that then Germany's paper circulation would be 510,000,000,000 marks which at the present rate of exchange are worth less than the reichsbank gold reserve.

The French plan would so interpret the theory of prohibition of interference in Germany's internal affairs as to permit this radical control of German finances.

The budgets of the various German states would be supervised thoroughly to prevent extravagance, regulate expenditures and make provisions for indemnity payments. A committee would be permanently established in Berlin and would have charge of the carrying out of all new reforms.

In case Germany should refuse immediately to observe the new demands, she would be declared in default by the commission under the provisions of the treaty of Versailles. A minimum of receipts would be fixed and a maximum of expenditures for Germany would be set and Germany would be required to float international loans at an opportune moment. Neither the government nor the states would float loans without allied authority.

EIGHT KNOWN TO HAVE DIED WHEN GAS WRECKS MINE

Mine of Progressive Coal Company in Oklahoma is Scene of Tragedy

(By The Associated Press)

MURKIN, Okla., Oct. 20.—With eight known dead and one additional miner missing as the result of a gas explosion which wrecked Mine No. 11 of the Progressive Coal company today steps were under way tonight to federal and state officials for a thorough investigation of the cause of the blast.

The dead: F. E. Seaton, president of the company; A. C. Greenwald; John Sanders W. A. (Billy) Taylor; Walter Brasher; Bob Edwards; Mark Kraus A. T. Ervine.

Preliminary investigation had not shown the cause of the explosion but it is believed that a shot fired by one of the 13 men in the mine to loosen the coal caused the blast.

Another explanation given by the survivors is that the gas became ignited from a lamp worn by Everett Seaton, fire boss of the mine who was killed by the explosion.

Burl Sprouse, a miner believed to have been in the mine at the time of the explosion is missing and search for his body was being continued tonight. Those rescued assert that Sprouse was in the mine at the time of the explosion and company officials and miners declare there is no possible chance for him to have escaped. Rescue squads reached the entombed men shortly after the explosion as the mine is shallow.

IRISH TAKE BUT LITTLE INTEREST IN ENGLISH AFFAIRS

Change in Cabinet Will Have Little Effect on Relations

(By The Associated Press)

DUBLIN, Oct. 20.—The Irish seem to take only an academic interest in the passing of Lloyd George. In general the feeling in Ireland is that England's cabinet change will have no palpable effect on Irish relations.

What Ireland is most interested in is the personality of the man who will succeed Winston Spencer Churchill as secretary for the colonies. Since the Anglo-Irish peace treaty was signed, Churchill has been the connecting link between Britain and Erin and all difficulties that arose were discussed with him.

In the south the Republicans represented him as a dictator to the provisional government but the free state officials have had no serious friction with him.

It is regarded as important in Dublin that Churchill's successor may stand by his acts and show the same spirit in carrying out the conditions affecting Ireland.

M'CORMICK ASKS IOWA VOTERS TO SUPPORT TICKET

Urges Them to Vote for Every Man, Including Brookhart

(By The Associated Press)

DES MOINES, Iowa, Oct. 20.—Solid Republican support for every Republican candidate in the state in the coming election, including Smith W. Brookhart, nominee for senator from Iowa, was urged upon voters of Iowa by Senator Medill McCormick of Illinois, in his first campaign speech in behalf of Republican candidates in the state, delivered here tonight.

Reviewing the record of the Republican party since its induction into office in 1920, the Illinois senator declared that the national debt had been reduced a billion dollars, entangling alliances with foreign nations had been cut away with the repudiation of the league of nations, and the business of the country placed upon its feet in readiness for a period of prosperity.

"You men and women of Iowa will vote to elect Colonel Brookhart as a Republican United States senator with a Republican delegation to the house of representatives," he declared.

Senator McCormick recalled to the audience his first visit to Des Moines made with Theodore Roosevelt when the latter was president years ago.

In introducing Senator McCormick, Senator Charles A. Rawson said:

"In the past I have always urged the voters of this state to vote the straight Republican ticket and I have not changed. I am going to do all I can this fall to assure the election of every Republican candidate from the top of the ticket to the bottom and I urge you to do the same. My belief is that Iowa will not elect a Democratic senator."

HUNTER ADVISED TROOPS AT HERRIN

(By The Associated Press)

CHICAGO, Oct. 20.—Col. Sam Hunter, who represented Governor Len Small at Herrin, Ill., preceding and immediately following the mine riots of last June when more than a score of men were killed, testified today that he had advised that troops be sent to the Herrin strike but that his advice was unheeded.

Colonel Hunter made the statement before David May of the state industrial commission, which is investigating the riots in an effort to fix financial responsibility for the loss of life. An attempt is being made to decide whether the insurance company that carried the Southern Illinois Coal company, owner of the Herrin strip mine, or the company that insured the Hargrave secret service agency which furnished guards for the mines, is responsible for the financial settlement.

Colonel Hunter also charged that nine officials including Superintendent C. K. McDowell, who was killed in the rioting, were responsible for the riot. He said he did not condone the killing of the men but asserted that the coal company allowed the flaunting of arms in a peaceful community and otherwise incited trouble.

WOMAN ACCIDENTALLY KILLED BY HER SON

(By The Associated Press)

MT. VERNON, Ill., Oct. 20.—Mrs. Rosetta Wallace, mother of several children ranging in ages from seven to 21 years was accidentally shot and killed in their home last night by a charge from a shotgun in the hands of Rosetta Wallace, 17 year old son. The Wallace home is on a farm about 20 miles east of here. Last night there was a disturbance out side the house and Rosetta reached for her shotgun, intending to scare the disturbers away it was testified at the inquest today. As he did so the weapon was discharged. Mrs. Wallace was shot in the neck and died almost instantly.

FORMER PREMIER GIVEN WELCOME BY GREAT CROWD

David Lloyd George and Party Arrived in Leeds Last Night

(By The Associated Press)

LEEDS, Eng., Oct. 20.—A great crowd welcomed David Lloyd George and his party on their arrival by special train tonight. Mr. Lloyd George delivered five speeches at various railway stations on the way here from London and everywhere was greeted warmly. At Westinghouse the retiring premier compared himself to Lord Channing who once presented that constituency. Channing, he said, had fought many similar battle for liberty and fair play.

"I invite your support in a battle for national interests," Mr. Lloyd George told an audience at Kettering.

At Leicester he said:

"You probably have heard that they don't like me at the Carlton Club that fact seems to have added to the number of my friends not only at Leicester but all along the route. I have never witnessed such remarkable demonstrations.

"We won the war together and peace was being helped by all sections. We were pulling together and now the new Carlton Club orders—party first. No wonder some of the ablest and most experienced leaders of the Conservative party protested against the order and declined to carry it out."

The Liberal association at Nottingham presented Mr. Lloyd George with an address to which the Little Welshman replied that he was standing for national unity. At Sheffield he told the crowd that gathered about his car that the Carlton Club had deliberately wrecked the organization which won the war.

DETECTIVES HAND OUT MORE BUNK

(By The Associated Press)

NEW BRUNSWICK, Oct. 20.—The American Legion wound up a five day convention today, unanimously electing Alvin W. Owsley of Texas as its national commander to succeed Harlan MacNider of Iowa, who has served for the past year, heard a plea for international action which, according to its sponsors the wounded men of the interrelated veterans' federation would bring about world peace.

Then after the election of vice-commanders and a national chaplain the convention was adjourned and men and women trudged out of the big hall and began making their way to railroad stations to catch trains back to their home communities.

It was the legion's greatest convention everybody said and the one which had accomplished most.

After stormy sessions the legion reaffirmed its position as to the so-called bonus—"adjusted compensation" the term the legionnaires prefer-criticised severely. Brigadier General Sawyer, personal physician to the president, tabled resolutions dealing with the Volstead act, the Ku Klux Klan and various minor issues.

It was averred again that its first intent was proper care for the disabled of the war.

The "buddies" had a wonderfully good time and feel that they accomplished much. Next year's convention will be held in San Francisco.

OFFICIALS PROBING WABASH WRECK

(By The Associated Press)

WILLIAMSPORT, Ind., Oct. 20.—Officials investigating the wrecking of Wabash passenger Train No. 2 near here last night which resulted in the death of three persons and the injury of six others, tonight reported no progress looking toward a solution of the case. Sheriff O. L. St. Clair of Warren county and J. B. Collett, railroad superintendent said it was evident train wreckers had removed spikes and angle irons from a rail at a sharp curve, causing the train to leave the track, but were at a loss to explain the motive for the alleged act or to discover any clue regarding the identity of the perpetrators.

SECRETARY DAVIS SAYS AMERICA IS NEARER TO PEACE

Labor Department Head Says Industrial Peace Nearer Than in Years

(By The Associated Press)

ELIZABETH, N. J., Oct. 20.—Secretary of Labor Davis, speaking tonight in the Republican campaign declared that America is nearer to industrial peace today than it has been for many years.

In spite of the great industrial conflict in three of our basic industries affecting more than 1,000,000 workmen," Secretary Davis said, "the nation has brought itself back to the high road of prosperity. Production is on the increase and wages have been stabilized in many lines on the basis of pay that will provide more than a mere living for the workman and his family."

Secretary Davis outlined the steps taken by the administration to restore industry to normal and referred to the 5,000,000 unemployed who were walking the streets a year ago. Today on every hand we read the signs "all kinds of work for all kinds of people," he continued.

The department of labor at the present faces a fewer number of strikes and industrial disputes than at any time since the close of the war.

RED FORCES WILL WAIT FOR JAPS TO LEAVE VLADIVOSTOK

(By The Associated Press)

TOKIO, Oct. 20.—Baron Uchida, minister of foreign affairs has announced that the soviet forces of the far eastern republic which have been advancing upon Vladivostok, have agreed not to enter the capital until it has been completely evacuated by the Japanese troops.

It is expected that the last of the Japanese soldiers will be sent by next Thursday.

The announcement lightens a cloudy situation in Vladivostok. Despatches had stated that the reds being asked to negotiate regarding movement of Russian soldiers on Russian soil and it was feared an attempt might be made to take over the capital before the Japanese evacuation was completed. A clash between the Japanese and China troops also was reported.

The Japanese are endeavoring to find an organization which will be willing to take over the war munitions the departing troops leave behind. If they fail the arms will be left for the Red forces. Relief ships are being sent to Vladivostok to take off any Japanese or other foreigners who desire to leave the city.

GERMANS FUSSING OVER ELECTION

(By The Associated Press)

BERLIN, Oct. 20.—The reading of the measure agreed to by the leaders of several of the political parties for an extension of the term of President Ebert to 125 days precipitated acrimonious debate, owing to remarks of Herr Hergt, nationalist leader, designating Herr Ebert as a "party man" and demanding that the government carry out its original project to hold a presidential election Dec. 3.

Stormy protests arose from the center and left, during which Herr Loebe interjected a remark to the effect that evidence was at hand indicating that the murder of other political men was being plotted. The members of the chamber were visibly startled.

Chancellor Wirth justified President Ebert's services and told the members of the house that they probably would not be in their seats by today if Ebert had not stood by his guns during the stormy days of the revolution.

MELLON REPLIES TO FREAR LETTER

(By The Associated Press)

WASHINGTON, Oct. 20.—Secretary Mellon in reply tonight to a letter from Representative Frear of Wisconsin, Republican member of the house ways and means committee declared there had been and will be no lavy on the part of the treasury in invoking section 220 of the last revenue act which Mr. Frear described as providing methods for reaching the surplus stock when held for the purpose of evading taxation.

ILLINOIS LABOR HAS HOT FIGHT ON ELECTIONS

For a Time Threatens to Disrupt State Organization

(By The Associated Press)

ROCKFORD, Ill., Oct. 20.—In a heated session lasting all afternoon and well toward midnight tonight, the convention of the Illinois State Federation of Labor settled three issues two of which threatened for a time to disrupt the state organization.

The method of election of officers, which has lined up the miners against other crafts in the federation was continued as at present by referendum vote of the membership. The miners' proposal to have elections held on the floor of the convention by vote delegates failed. Threats of the miners to withdraw from the federation were met with heated outbursts by other delegates.

In a close vote the convention voted down a resolution against the amalgamation of all unions into one big union. The vote was 148 to 119.

The convention voted to oppose the proposed new state constitution on the ground that it is a menace to the people of Illinois. The report of the resolution committee on this point was adopted unanimously.

Power given the judiciary, the limitation of representation in cook county, the revenue articles, which the report claimed gave protection to moneyed interests in tax dodging and the phraseology of the constitution as being "filled with hidden meanings and jokers" are the points on which the fight will be made.

MRS HAZEL M'NALLY DISMISSED BY COURT

(By The Associated Press)

HAMMOND, Ind., Oct. 20.—Mrs. Hazel McNally, accused by her husband of murdering twin babies he claims were born to her last December was discharged at the close of a preliminary hearing today. Mrs. McNally had contended that the babies were not born but that she paraded dolls before the neighbors to satisfy her husband's ambition to be known as a father.

Judge Henry C. Cleveland ruled the state had failed to prove the infants are not still alive.

The 26 year old wife, who has grained and a settled while witnesses attempted to fasten on her the charge of double murder, collapsed and fell fainting to the floor with the cheers of 150 women court room fans applauding her acquittal, ringing in her ears.

By a strange paradox of the law, the defense, which maintained the twins "born to Mrs. McNally last December were only inanimate of china and paraw, dressed in baby clothes won her victory because the state was unable to prove that the mystery babies were not at the present moment living, breathing human beings with actual flesh and blood.

The missing corpus delicti, lawyers phraseology for body of the crime, proved a stumbling block to the state and because of it the mystery of the McNally twins, whether they ever existed when they were only dressed up dolls or whether as the state contended they were first real babies and then dolls remains unsolved.

STRIKERS PICKET COAL MAN'S HOME

(By The Associated Press)

NEW YORK, Oct. 20.—The delegation of striking miners from Somerset county, Pa., formerly employed by the Berwind-White Coal Mining company today extended their picketing to the Fifth Avenue residence of E. J. Berwind, in front of which two miners walked up and down, carrying placards reading:

"Just looking at E. J. Berwind's home. We, his evicted miners, have to live in tents and chicken coops."

Three women and two men carrying placards, continued their picketing in front of the Berwind-White offices in lower Broadway.

James Mark of the United Mine Workers, head of the delegation, said that the proposed posting of pickets in front of the office of John D. Rockefeller and the Consolidated Coal company, were being held in abeyance.

SHILOH LADIES' AID MET WITH MRS. BOURN

At the meeting of the Ladies' Aid society of Shiloh church held Thursday afternoon at the home of Mrs. Earl Bourn the devotionals were in charge of Mrs. Leila Bourn and Mrs. Nellie McGee. A paper on "Campaign Expenditures" was given by Mrs. Irvin Patterson and Miss Ethel Gaines read a paper on "Stephen Foster, Writer of American folk songs." At the business session the ladies voted in favor of doing some work for Passavant hospital, and a committee was named for this, with Mrs. Leila Bourn as chairman.

During the social hour the hostesses served refreshments, assisted by Mrs. Ralph Cowgur, Mrs. Glenn Standley and Mrs. Roy Black.

HALLOWE'EN FESTIVAL TO BE ELABORATE

Street Dance to be Dispensed With this Year—Prize for Best Window.

The Halloween festival, according to the plans of the committee, will be much more elaborate than last year. The street dance has been dispensed with and the money which would have been spent on this feature will be used for more elaborate decorations.

The Halloween committee met at the call of chairman Robert Birnbaum and decided on this move. It was also decided to offer a cash prize to the business man having the best Halloween window display. The committee will have strands of electric lights across the street to afford good lighting for the parade. The square and business street will be decorated with Halloween effects and the park and square will present a very festive appearance when the decorating work is completed.

Posters and lithographs to advertise the big sale, the automobile day and the Halloween festival, have arrived and will be printed locally and distributed the first part of next week. The merchants are preparing a feast of bargains for the day and with these bargains, the prizes offered to people coming in cars, the community used car auction and the Halloween festival at night, October 31 should be one of the biggest days that Jacksonville has ever witnessed.

Five dollars in gold will be given for the best all around costume in the contest. There will be at least fifty classes of costumes taking prizes, and contestants have a variety of ways in which they make up for the occasion. The following costumes will be in line for prizes, the best make-up in each case being the winner: Father Time, Santa Claus, tall clown, short clown, fat clown, old witch, Uncle Sam, George Washington, Martha Washington, Red Cross nurse, policeman, Indian brave, Indian squaw, Dutch girl, old farmer, best farmer and his wife, French peasant, Chinaman, Gypsy, old maid, Queen, King, Red Ridinghood, Scotchman, Harold Lloyd, Charlie Chaplin, best woman made up as man, best man made up as woman, best flapper, best little girl's makeup, best little boy's makeup, best oriental costume, Mother Goose, a knight, most revel costume in the parade, Robin Hood, best spirit of 76 (three people), a Turk, a Pilgrim of 1620, best Devil, best tramp, best fairy, flower girl, best ghost, bolshevik, etc.

DOUGHNUT NELL As Told by an Ex-Doughboy

She wa'n't exactly purty
As the run of "flappers" go;
An' she didn't have much class to her—
But as an angel—why say "Ho,"

That gal us "yanks" called
"Doughnut Nell"
Was the best I ever see—
She was the prize of my "outfit"
In the ditches of Saint Pres.

They put us all in khaki.
T'was the color of the clay
That come to be a part of us
In those holes o' yesterday.

But speakin' of Nell the Doughnut gal—
She wore the mud togs too,
And the helmet was there above her hair,
Why she followed us straight thru.

Th' hell of it all, No Heinie bombs
Nor screamin' shrapnel shell
Got that gal's goat, you can bet yer nut.
She had the stuff. Say pal.

There's many a buddle, if he could speak
From his six foot two "over there"
In Flanders Field where he's rottin' now,
With the poppies roots in his hair;

But what would tell you that it was Nell,
"Our own little Nell," he'd say,
"That slipped to me my last sweet snack"
"Of food and drink 'fore I went my way"

"Over the top when my soul flew west,
To the lang o' the Settlin' Sun"
And what become of Salvation Nell?
Her good work still goes on.

She's back on her job in bonnet of blue,
She's back on her native sod,
A givin' to thirsty men of her soul.
To lead them back to God.

On Estimate Based On "Value Received"

When you need an estimate on your electric wiring requirements for house, office, store or factory do you shop around for the cheapest price irrespective of quality, service or reputation?

Or do you send at once for a reputable contractor who, by long experience, knows his business, gives reliable advice and service, keeps his promises and guarantees his work? An estimate based on "value received" may be a little higher but it is the one you should accept.

Quick Oats

Instant Quaker Oats

The quickest cooking oats in the world

Quaker Oats now come in two styles, the *Instant* and the regular. *Instant Quaker* cooks in 3 to 5 minutes. It is the quickest cooking oats in the world.

The two styles are identical in quality and flavor. Both are flaked from queen grains only—just the rich, plump, flaky oats. But have that lusciousness which has won the world to Quaker.

But in *Instant Quaker* the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

Your grocer has both styles. If you want the *Instant* look for "Instant" on the label. Those oats will cook perfectly in 3 to 5 minutes.

FORGET-ME-NOT DAY WILL BE OBSERVED

Day Will Be Observed on Saturday, November 4—Is For Wounded and Disabled Veterans of World War.

Cincinnati, Oct. 21.—A new service for the women and girls of the nation has presented itself in the coming "National Forget-Me-Not Day" for America's wounded and disabled veterans of the great war, according to the plans of C. Hamilton Cook, national commander of the Disabled American Veterans of the World War. On Saturday, November 4th, which has been officially designated "Forget-Me-Not Day" in practically all of the states of the country, by proclamation from the Governors and state executives, many thousands of pretty girls, former women war workers, college girls, fraternal leaders, club-women and other ladies in every city and town in the United States, will form a great sales force, distributing the forget-me-nots on the streets of the various communities throughout the nation.

All of the proceeds of the "Day" will be devoted to the welfare and relief of the many thousands of wounded and disabled war veterans of the country, and banks will serve as treasurers for each fund raised as part of the "National Forget-Me-Not Day" campaign. Citizens' committees are being formed in the various cities and towns organizing for the day's activities, and the women and girls of the nation are entering prominently into the general plans of the campaign, as well as the numerous projects to be launched in the interests of the disabled veterans of the land.

At the National Headquarters of the Disabled American Veterans of the World War, in Cincinnati, their national commander Capt. Cook, has sent out an appeal to the women of the United States, to take up again, on one day, "Forget-Me-Not Day," the same kindly interest and tact activity that was manifested by the women of America during the days of the great war; applying to the cause of the wounded and disabled American veterans of the great war, their endeavors for Saturday, November 4th. Arrangements have been made with the Central Trust Co., national treasurer of the fund, to have that bank accept direct donations to "Forget-Me-Not Day."

Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red Blood Cells. That's the Sure Way! S. S. S. Builds Blood Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many people because they are under weight? Simply because to be under weight

often proves low fighting power in the body. It often means you are minus nerve-power, minus red cells in your blood, minus health, minus energy, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1893, has meant to thousands of underweight men and women, a plus in their strength. Hollow cheeks fill out. You stop being a cadaverous-looking. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier. You feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a peaky, bony face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

ROTARIANS HEARD ADDRESS ON INDIANS

Dr. Charles D. Williamson of California speaks at Rotary Club luncheon Friday—Resolution Adopted.

At the regular weekly luncheon of the Rotary club Friday at the Pacific hotel, Dr. Charles D. Williamson of Claremont, Calif., a former college student, made an address on "The Indian in the Great Southwest." The lecture was illustrated with many views of the Indian and his life.

There was almost a 100 per cent attendance of members and a number of guests were also present. Dr. A. H. Dollear presided and introduced the speakers.

A resolution was introduced by

Dr. J. R. Harker voicing the regret which the club feels at losing H. Ambrose Perrin, one of its members. Response was made by Mr. Perrin, who stated that he regretted the fact that he is to leave the city and voicing his appreciation of the way in which local citizens have co-operated with him in the work of the schools.

In his address Dr. Williamson described in a most interesting way the life of the Indian. He told of a visit made to the Hopi Indian village, Walpi. Here he found many unique customs in vogue.

The wife is the head of the household and everything is left to her judgment. When the Hopi Indian maiden decides to enter the matrimonial state she "pops the question" herself and the chosen mate takes up his abode in her home. If later the married relationship becomes irksome

to the woman she terminates it by hanging the bride and saddle of her mate outside the door.

Dr. Williamson gave a detailed description of the weird and wonderful snake ceremony of the Hopi Indians. The snake priests are headed by a native Hopi who is a graduate of Johns Hopkins university. This man at the close of his college days returned to his own people because he failed to find a place for himself among the civilized people. The speaker told his auditors about the origin of the snake dance, which is held for the purpose of bringing rain. It is the belief of the Indians that the ceremony has the power to bring the desired rainfall, and it is related that it seldom fails to have the desired effect.

Tells of Navajo Indians

The speaker told of visits to the Navajo Indian villages and described the weaving of the wonderful blankets by these natives. Views of the painted desert and the Petrified forests of Arizona were shown. Dr. Williamson giving his auditors an interesting word picture of the wonders thrown upon the screen.

Dr. Williamson has for years studied the American Indian and his habits of life, with the result that he is unusually familiar with the facts in regard to the lives of these interesting inhabitants of the southwest.

Among the guests present at the luncheon Friday were E. C. Pierce and Louis Lowenstein of White Hall; J. D. Pelse of Miami, Okla.; Carl O. Gordon, Spokane, Wash.; Dr. W. H. C. Smith, Godfrey, Ill.; J. A. Young, Glasgow; J. B. Bean, Winchester; Dr. J. L. Rames, Dr. E. A. Gunderson, Dr. F. P. Norbury.

The resolution adopted with reference to Supt. Perrin was as follows:

The Jacksonville Rotary Club regrets greatly to lose Ambrose Perrin from its membership. He has been a good fellow, a true Rotarian in every respect, and every member feels his going as a personal loss.

All of Jacksonville regret his going. He has done great service to the schools, has made us all proud of them, and has given them a high place among the best public schools of Illinois. He has also been greatly helpful in social service work and every other good work in the city.

But we congratulate Ambrose on his advancement, and we predict for him an equally successful service and life in Joliet. He is a great asset in any community, and we hope the Joliet people will give him a hearty and appreciative welcome.

This promotion is only another evidence of the truth of the Bible proverb "Sest thou a man diligent in his business? he shall stand before kings."

For a quick dainty lunch, our sandwiches of meats, chicken or nuts, hot chili and coffee are suggested, at MERRIGAN'S.

VISIT IN CHAMPAIGN

Mrs. Lydia Faugust and daughter, Miss Hilda Faugust, are in Champaign for a visit with William Faugust. They also expect to attend the Illinois-Iowa football game there this afternoon.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad digestion or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

France has the largest and best military air service in the world. The World War cost New Zealand \$400,000,000, or about \$350 per capita.

As a result of the World War, 18,296 children in Belgium became orphans.

The American Legion in Paris has a membership of more than 1,000 former service men.

The World War killed in battle three American soldiers for every millionaire that was made.

Germany has 7,000,000 men trained as soldiers, who are capable of being mobilized.

Soldiering is considered a profession more intricate than any other. It is harder to teach than law or medicine.

"Unknown Soldiers" have been honored by five Allied nations: the United States, Great Britain, France, Italy and Portugal.

Since American occupation on the Rhine, the consumption of chocolate and cigarettes has become a habit with the Germans.

In Canada, a former service man is given 160 acres of land free, and the Government loans each man \$2,500 cash to equip his farm.

France has made 4,284,879 individual payments, aggregating 14,365,550,335 francs to inhabitants of the region devastated by the World War.

The "West Virginia," the newest battleship of the American navy, upon completion will be 624 feet long, and will carry a crew of 1,400 officers and men.

It requires approximately \$1,800 to equip and to train a regular United States soldier for one year. The average for a National Guardsman is estimated as only \$275.

In England more than 226,000 women have received pensions from the British Government because of husbands killed in the World War. Seventy-four thousand have remarried.

Eight soldiers attached to the French army on the Rhine were recently convicted of being German spies. All confessed to having operated within the French ranks since 1921.

A citizen of France is subject to an association of 30 years in the army. The provision for service is: Active army service, 15 months; in reserve 18 years and six months; territorial service, 10 years.

The most historic spot in the World War, where the Germans surrendered on November 11, 1918, in the big forest near Compiegne, France, is marked by two weather beaten posters nailed against trees.

An additional allowance of \$50 a month is to be made for former service men of the United States army who are blind, legless or armless. This money is intended for the employment of extra attendants for the men.

To preserve the memory of the insect, a "Kootie Klub" has been formed in Racine, Wis., by former service men of the world war. The titles of the officers are: "Kernal Kootie," "Big Bite," "Big Itch," "Little Itch," "Big Scratch," and "Little Scratch."

A resolution was recently proposed in Washington, as a constitutional amendment, authorizing Congress, in event of a declaration of war, to provide for the conscription of every citizen, and of all money, industries and property of any nature necessary.

The work of arranging eight American fields of honor in France, England and Belgium as the final resting places of 40,000 American dead of the World War will be started this month. This work will require about three years, and will consist largely of the planting of trees, shrubs and lawns.

With modern long-range guns, similar to the "Big Berthas" used by the Germans during the World War, France could control the English channel and bombard many English cities, including London, Great Britain, with the same instruments of modern warfare, could level Lille, Le Havre, Arras or Amiens.

The Inter-Allied Veterans' Federation is represented by the American Legion, United States; Union Nationale des Combattants, France; Federation Nationale des Combattants, Belgium; British Legion; Union Nationale des Combattants et Mutilés Italiens, Italy; Nuduna, Rumania; Udrzenja Reservnych Oficiara Obwennika, Serbia and Druzina, Czecho-Slovakia.

Because the hand salute in the American army has become a nuisance, military regulations are soon to be amended to do away with much of the exchange of salutes between officers and men in public places. The revised regulations will restrict the exchange of salutes for both officers and men to military reservations except when they may address each other while in uniform on the street or in public places.

An agency has been established in the office of the Adjutant General of the army, in Washington, as a clearing house of information to enable the hundreds of officers who are to be dropped from service to find positions and to make business connections. Employment agencies, large corporations and commercial and industrial establishments will be canvassed. Of the officers to be separated from the service, many are highly qualified professional men—lawyers, surgeons, chaplains, engineers, dentists and veterinarians.

NEWS OF THE SPORT WORLD

CANADIAN FANS GREET BALL PLAYERS

CHICAGO, Oct. 20.—Canadian baseball fans of the northwest gave the major league baseball players great reception yesterday before they sailed for the orient, according to a telegram received today from Herbert Hunter in charge of the party. At all points along the line, crowds turned out to greet the party and at the only exhibition game played which was

at Vancouver, B. C., an enthusiastic crowd turned out.

PLAY SCORELESS TIE.
Canton, Mo., Oct. 20.—Culver Stockton college and the Kirkville state teachers eleven played a scoreless tie game here today at the annual Founders' Day celebration.

THREE LEFT IN CHECKERS MATCH
Boston, Oct. 20.—Three players remained tonight in competition for the title in the fifth American Checkers tournament.

MICHIGAN-OHIO GAME BIG EVENT

Holds Center of Stage in Middle West—Illinois-Iowa Game Also Is Attracting Attention.

CHICAGO, Oct. 20.—With every team in the western conference in action tomorrow interest will center in the clash between Michigan and Ohio State at Columbus, where probably 70,000 persons, the largest crowd that ever witnessed a football game in the west, will see two undefeated teams meet in the dedication of Ohio's new \$1,500,000 stadium.

Ranking next in importance will be the Illinois-Iowa game at Urbana. In the other big ten games of the day, Chicago will meet Purdue at Chicago, while Minnesota will take the field against Northwestern at Evanston and Indiana will furnish the opposition to Wisconsin at Madison. Ohio State has the greener line of the two but Coach Wilce always has developed a creditable forward wall in addition to a tricky offense, which has caused many upsets in the past two years.

Iowa which conquered Yale a week ago appears to outclass Illinois by a wide margin, but the Illini, beaten by Butler last Saturday are out for revenge and promise to wage a desperate battle against the Hawkeyes.

Minnesota is a heavy favorite against Northwestern's chances are regarded as vastly superior to what they were against Chicago last week. Indiana is not expected to furnish much opposition to the running and passing attack of Wisconsin.

The Chicago-Purdue game may be expected to be reasonably close as Coach Stagg's Maroons will start a large number of substitutes keeping his stars on the side lines in reserve for the Princeton game a week later. The game probably will be a battle of the lines with little open play.

WHITE SOX RECALL TEN OF THEIR PLAYERS

CHICAGO, Oct. 20.—Ten baseball players have been recalled by the Chicago White Sox for next spring it was announced today. Two of them, Everett Yarnall, who was with Kansas City, and E. C. Pence, who played with Lakeland, Fla., rejoined the Chicago club this fall.

The others who will report next season are George Connolly, O. L. Ostergaard with Sioux City, Iowa; J. D. Thompson from Greenville, S. C.; Harold Busber of Rock Island, Ill.; E. Rafferty, Buffalo, N. Y.; E. J. Taylor, from Albany, N. Y.; Ferdinand Schupp, from Seattle and Harry Courtney from San Francisco.

Courtney was sent to the San Francisco as a part payment of William Kamm, third baseman with the agreement he could be recalled.

GRIFFITH REFUSES TO MAKE COMMENT

BLOOMINGTON, Ill., Oct. 20.—Major Griffith, high commissioner of athletics for the big ten conference who refereed the Lombard, Illinois, Wesleyan game here today absolutely refused to comment on reports that Michigan had protested the eligibility of Noel Workman of Ohio State and that Ohio State had replied by protesting against the use by Michigan of Roby, Kneede and Keefer on grounds of professionalism and having played football longer than big ten rules allowed.

Interviewed by a representative of The Associated Press Major Griffith said: "The matter is too delicate for me to comment upon. I have nothing to say."

LOMBARD DEFEATED ILLINOIS WESLEYAN
BLOOMINGTON, Ill., Oct. 20.—Lombard college maintained its record of two undefeated years by defeating Illinois Wesleyan here today in the hardest fought game of the season.

An excellent massed interference and brilliant end runs featured the Lombard play, but they were unable to gain thru the Wesleyan line.

A bag pass by Hanley in the first quarter followed by a blocked punt gave Lombard the ball close to the Wesleyan goal where a short pass to Hummel put the ball across shortly after the beginning of the second half. Swanson got away for a brilliant end run of 90 yards for the second score of the game. Hummel kicked goal after each score.

OFF AGIN, ON AGIN GONE AGIN, FINNEGAN
That is about the status of Frank Smith's Indes baseball team recently. The Indes were booked to play the Twentieth Century Giants here Sunday and it was announced in the press.

New we receive word that the Indes will play Winchester at Winchester again Sunday. Fryman and Clark will work for the Indes and Smithson and Montgomery for Winchester. It is expected a large number of fans will go down to see the game.

OHIO PROTESTED MICHIGAN PLAYERS

CHICAGO, Oct. 20.—Ohio State University has protested the eligibility of certain players on the Michigan football eleven it was learned here today. Commissioner Griffith of the big ten conference has had the matter referred to him but in his absence from the city neither the names of the players involved or other details were available here.

Idea Is Scouted.
COLUMBUS, O., Oct. 20.—Athletic officials of both Ohio State and Michigan tonight denied knowledge of the filing of a protest on the legitimacy of certain Michigan players as reported from the Chicago office of Commissioner Griffith of the Western Conference.

The protest was said to have been filed by Ohio State. L. W. St. John, athletic director at Ohio State denied that protests against the Michigan players had been filed by him and Coach Yost of Michigan scouted the idea, declaring that neither he nor any other member of the Michigan party here had knowledge of such steps having been taken.

Coach Yost said he was quite sure that such protests been made he would have received notification before tonight, the eve of the Ohio State-Michigan contest.

ALL MISSOURI VALLEY TEAMS IN ACTION TODAY
Kansas City, Oct. 20.—With all nine schools in action the Missouri Valley conference football season is on in earnest today.

Four conference games are scheduled for tomorrow. The University of Kansas plays a non-conference game with Washburn; Kansas conference eleven at Lawrence.

Missouri meets Nebraska for the first since Nebraska withdrew from the Valley conference in 1920.

The Cornhuskers, 1921 conference championship are reported heavier than for several seasons.

HARVARD-CENTRE GAME IN EAST

Each Team Has Won a Game—This Will Be Last One Between Two Schools.

NEW YORK, Oct. 20.—Inter-sectional games again will add zest to the week-end football play in the east tomorrow. Harvard will meet Centre College for the third and last time at Cambridge; Princeton tackles Maryland at Princeton; the Navy has Georgia Tech as its opponent at Annapolis; Syracuse faces Pittsburgh at Syracuse and Georgetown will mingle with Fordham in this city.

Outstanding among the purely sectional contests of the day will be the Cornell-Colgate game at Ithaca; Yale vs. Williams at New Haven; Pennsylvania vs. Swarthmore at Philadelphia. Brown vs. Lehigh at Bethlehem, Dartmouth vs. Vermont at Hanover and Army vs. New Hampshire State at West Point.

Of chief interest perhaps to the average fan will be the struggle between the Praying Colonels from Kentucky and the Orthodox but well trained crimson players. With each institution with one victory in games of the past two years the struggle probably will break the standing tie and furnish a climax to the series, for under the new triangular agreement recently entered into by Yale-Harvard and Princeton inter-sectional games appear to be a thing of the past.

It is likely that the Princeton combination will be set to stop any aerial attack.

The Navy will throw any unusually heavy and powerful team against Georgia Tech, while the middies are not far advanced along the football trail, their poundage and drive should prove an imposing obstacle to a Georgia victory.

IOWA AND ILLINOIS WILL BATTLE TODAY

Coach Jones of the Hawkeyes Warned His Men Not to Over-Confident for Illinois Always Has Fighting Team.

IOWA CITY, Iowa, Oct. 20.—With 2,100 Iowa fans holding a mass meeting and watching practice, Coach Jones sent the Hawkeyes thru their final practice tonight for the Illinois game at Urbana tomorrow. The drill lasted almost two hours and again consisted of working on Illinois' plays.

Iowa will enter its opening big game with full strength giving the Hawkeyes more than an equal chance for victory but they are not over-confident. Coach Jones has them keyed to face a fighting Illinois team and in his parting shot in public tonight told the squad that any man who isn't going to Illinois "with the determination that he is to meet a worthy foe, won't play tomorrow."

The squad of 29 men left Iowa City on a special train at 9 o'clock. At least 500 Iowa students will see the team battle Illinois while the University band also will be in the stand.

A tag day fund raised today will pay the musician's fare to Urbana.

BADGERS AND HOOSIERS READY TO RENEW FRAY

MADISON, Wis., Oct. 20.—Wisconsin and Indiana football eleven polished up plays during short signal drills at Camp Randall today preparatory to clash between the two teams tomorrow renewing a rivalry that was severed 12 years ago.

The Badgers will enter the fray stronger than in any previous game with a backfield that is expected to give the Hoosiers serious trouble. Captain Williams will lead the eleven into action for the first time. The passing game stressed by Wisconsin in two previous contests is expected to be used more freely than ever.

RUBE BENTON HEADED FOR MAJORS AGAIN

NEW YORK, Oct. 20.—Negotiations for the purchase of Rube Benton, former pitcher with the New York Giants and Cincinnati Reds have been begun by the New York Yankees with the St. Paul American association club, Edward Barrow, business manager of the Yankees said today.

In any event the deal would not be closed until the magnates winter meeting in December and if it is carried out it will be a direct sales not involving a transfer of Yankee players, Barrow said.

RETURNS FROM CHICAGO
Harry Hall of the firm of Hall Bros., returned last night from Chicago where he has been for several days in attendance at the implement dealers convention.

Men engaged in this line of business from a wide territory were in attendance.

BRADLEY TACKLES ILLINOIS TODAY

Strong Peoria Team Will Play Harmon's Blue and White Warriors—Game Promises to be Hard Fought.

At 3 o'clock this afternoon the referee's whistle will turn the Illinois College and Bradley Institute football teams loose in their annual game. The Bradley team arrived last night in order to get a good rest before the game.

Spectators will have an opportunity this afternoon to see several classy Bradley men in action. Gross, Rogers, Correll, Friedrich, Brewer, Babcock, and Hoswell are back field men who have plunging bucking, running, passing and kicking qualities to round out a finished offense that will give the Illinois players plenty of trouble to stop.

Yesterday Lombard defeated Wesleyan at Bloomington by the score of 14 to 0. Two weeks ago Bradley played Lombard to a 6 to 6 tie. These scores give a good idea of the strength of the Peoria team and means that the local team has a big task on its hands this afternoon to take the measure of the husky Bradley team.

Muhl of Illinois Wesleyan will referee. Rust of Wesleyan will umpire, and Loudin, former Carthage coach, will be head-linesman.

The probable lineups for the two teams are:

Bradley	Position	Illinois
Purice	Left End	McDon
Meinen	Left Tackle	Gard
Zierton	Left Guard	Weber
Siminski	Center	W. Roberts
Koeppling	Right Guard	(e) Gunn
Barrett	Right Tackle	Ribelin
Allen	Right End	Witaschek
Friedrich	Quarter Back	Foreman
Correll	Right Half Back	Struck
Brewer	Left Half Back	Rogers
Babcock	Full Back	J. Roberts

J. H. Dial and daughter, Miss Helen, will go to Chicago next week where they will attend the National Telephone association, which will be held at Hotel Sherman.

I. S. D. WILL PLAY AUBURN HIGH TODAY

Coach Burns Has Been Drilling Forward Line Hard for Contest Dillard Out of Game With Bad Knee.

The I. S. D. football warriors will have a tough foe this afternoon, when they clash with the strong Auburn high school eleven on Illini field. Last night Coach Burns said that his team was in good shape for the contest, but is still dissatisfied with his forward wall. The Tiger line was drilled hard this week, both on offense and defense.

All his men emerged from the game at Alton with no severe injuries, except Dillard, who painfully injured his knee. The I. S. D. mentor was forced to shift his lineup as a result of Dillard's injury. Miller will play at quarter and Messinoff will take Dillard's place at left half. In the line, Johnson will go back to right tackle and Wolz to right guard. Crosh will take Jones' place at left guard. Coach Burns gave out his lineup last night. It is as follows:

Mannen, Capt., re.; Johnson, rt.; Wolz, rg.; Sellers, c.; Crost,

lg.; Montgerard, lt.; Taylor, Miller, qb.; Rose, rh.; Massinko, lb.; Crabbe, fb.

Market Report

By The Associated Press

WHEAT AVERAGED HIGHER IN PRICE

By Associated Press.

CHICAGO, Oct. 20.—Wheat averaged higher in prices today, helped by indications of good export and milling demand, a circumstance which more than counterbalanced the unsettling effect of much undoling of spreads between December delivery and May.

The close was nervous, carrying from 3c off to 3c net gain with Dec. \$1.12½ to \$1.13½ and May \$1.12½ to \$1.13½. Corn finished at 3c to 3c advance and provisions unchanged to 15c down.

At the start selling ascribed to foregners had a somewhat depressing influence on wheat values with pit traders becoming rather active on the bear side of the market. Commission houses then gradually absorbed the selling, and a lively participation for eastern account developed causing shorts to bid up prices sharply after midday. December nevertheless failing to strengthen as much as deferred months.

Gossip current among handlers of cash wheat here was to the effect that exporters were in a tight position with vessel waiting and grain ready, but with little to be had in the line of fresh supplies. Transportation difficulties continuing to act as a big hindrance. It was said also that signs pointed to an easing up in the congestion from Buffalo eastward. Demand from elevator concerns gave independent firms a corn and oats. Falling off in receipts was noted together with meagerness of country offerings to arrive. The Rumanian corn crop was reported at 43,000,000 bushels less than last year.

Provisions were easier in line with the hog market.

UPWARD MOVEMENT OF MARKET PRICES

By Associated Press.

NEW YORK, Oct. 20.—Convincing evidence that the recent action in the stock market was purely technical was given today when most of the list moved upward in response to a good demand for certain railroad shares and the speculative bidding up of special stocks.

Mexican Petroleum in another sensational performance closed at a net gain of 13 points. Reading \$50 par stock which was pushed up to \$22½ a net gain of 3½ points was the outstanding feature in the rail groups.

Liberty 3½s which registered a sensational advance yesterday by touching \$103.02 a new high record and closing at \$102 fell back to \$100.84 today, a net loss of \$1.16. Other United States government securities were either unchanged or registered moderate gains.

Total bond sales, par value, were \$5,938,000.

MURRAYVILLE LODGE

ERECTING BUILDING

Odd Fellows Putting Up Substantial Structure in Place of Building Destroyed by Fire Several Months Since.

The erection of a new building is now under way by the Murrayville Odd Fellows organization. The excavation work will be completed Monday and the placing of the concrete footing for the walls will begin Tuesday.

The contract for the erection of the building was awarded to John Shillinger of Winchester. The total cost will be approximately \$18,000 and the structure will be completed and ready for use by the first of the year if the weather permits.

The building is to be of brick construction, up to date in every respect. There will be a basement underneath the whole, two store rooms on the ground floor and a large hall above for lodge purposes. A modern steam heating plant will be installed and the building will be one of the most attractive lodge homes in the county when completed.

ARE VISITING RELATIVES HERE

Mrs. R. M. Forsythe of California and Mr. and Mrs. M. L. Dazzy and daughter of Chicago are in the city visiting Mrs. Forsythe's sister, Mrs. Taylor of Jordan street and other relatives and friends. Mrs. Dazzy will be remembered here as Miss Alma Forsythe, and was one of the most talented violinists the city has ever produced. Mrs. Forsythe expects to leave soon for her California home.

VISITING OVER WEEK END HERE

Mrs. R. D. Long and daughter, Miss Dorothy motored from Timewell Friday to spend the week end visiting with friends. They will be the guests of Mr. and Mrs. Homer Bradley of South Clay avenue.

DR. NORRIS GOES TO CONVENTION

Dr. F. A. Norris left last night for Boston, Mass., where he will attend the annual convention of the American College of Surgeons. Dr. Norris will be away from the city for about ten days and will spend some time in New York before returning.

GIVES PERSONNEL OF COMMITTEE

President J. H. Dial of the membership committee of the Chamber of Commerce has announced the personnel of the executive committee of this division of the chamber as follows: W. T. Harmon, first vice president; Reverend W. H. Marbach, second vice president; Ollie Parker, third vice president; A. G. Cody, chairman of the refreshment and entertainment committee and Dr. A. B. Applebee, chairman of the attendance committee.

A meeting of this executive committee was held yesterday afternoon and it was decided that the name "Forum" would not be used in the future in reference to the general meeting of the Chamber of Commerce as they are membership meetings of the Chamber of Commerce and will be so called in the future.

The first membership meeting of the organization this fall will be held Tuesday evening, October 24, at 7:30 o'clock. The subject of the meeting will be "Shall We Adopt the New Constitution for State of Illinois?" The speaker for the occasion will be Henry I. Green, of Urbana, chairman of the committee on submission of the constitution to the voters of the state. The general public is cordially invited to attend this first meeting as it is of interest to all the residents of Jacksonville and Morgan county to understand thoroughly the meaning of the new state constitution.

The meeting will be called at 7:30 in order that Mr. Green may take the 9:15 Wabash train to Springfield. Following the program refreshments, consisting of sweet cider and doughnuts (sweet cider and doughnuts, will be served. Arrangements for some musical numbers are being made by Chairman Cody of the entertainment committee. Hubert Lither has been selected as song leader for the membership meetings during the year.

Her Life a Sea Romance

Taken on shipboard by her sea-captain father when three months old, Helen Jean Lowell never knew a white woman till she was 16. Her father educated her in his cabin, giving her an ordinary schooling plus an expert's knowledge of navigation. Today at 19 she's employed in Los Angeles office.

Social Events

Hostess to Club.

Mrs. George Brown entertained the members of her Bridge club yesterday afternoon at her home on Jordan street. A number of tables were made up and the afternoon most delightfully spent in playing. After the cards the hostess served an attractive little luncheon.

Baptist Men's Class Banquet.

The members of the "Everyman Up Class" of the Sunday school of the First Baptist church had a banquet last evening at the church. The affair was a six o'clock banquet served by the ladies of the church. Dinner covers were laid for twenty-three and a delicious menu was served. Following the dinner there was an informal program of toasts and talks by different members of the class. John Stewart is the president of this class of young men.

Ready Maids Class Entertained

The Ready Maids Sunday School class taught by Mrs. C. O. Swift was entertained at the home of Miss Ada Vasey, 202 West College street to a 6 o'clock dinner Friday. Halloween decorations were carried out. Sixteen guests were present. Following the dinner hour a short business session was held and this was followed by a very enjoyable social hour.

Sorosis Met Yesterday

The meeting of Sorosis Friday afternoon at the home of Mrs. Perry C. Thompson, 124 West College avenue, was one of unusual interest when Dr. Swift of Illinois College began his course of lectures upon Psychology. This first lecture "The Standpoint and Method of Psychology" was the first of a series which he will give thruout the year.

South Side Circle Met With Mrs. Sperry

Mrs. J. W. Sperry entertained members of the South Side Circle and guests at her home on Friday afternoon. The program was in charge of Mrs. James Strawn, who wrote a very interesting paper on "Rivers and Streams of Canada," which was read by Mrs. E. N. Tindall. The hostess served elaborate refreshments and the circle adjourned to meet with Mrs. Newman, October 27.

Sinclair Club in Annual Meeting.

The annual open meeting of the Sinclair Country club was held last evening at the home of Mrs. R. W. Robinson in Sinclair. The husbands and families of the members were guests at the affair and there were about one hundred present. A delicious three course supper was served at 6 o'clock by the members of the domestic committee. The Robinson home was attractively decorated for the occasion in fallow-een colors and pretty Halloween favors were used on the tables.

At the close of the supper hour an enjoyable program was given. Mrs. Clara Moore, president of the club gave a brief address of welcome to the guests and this was followed by a number of piano selections by Miss Laura Fox. Reverend M. L. Pontius of Central Christian church, Jacksonville, had been invited to address the club and he made a

NEW PAVEMENT FINISHED FRIDAY

That portion of East State street extending from the railroad track to Johnson street, on which a new pavement has been under construction, will be thrown open to traffic today.

The completion of the pavement on East State street gives that thoroughfare practically a new pavement from the square to the city limits. It again being open to traffic will please the public as all traffic was of necessity detoured into the city on College avenue.

NO LIQUOR FOUND BY SEARCHING PARTY

Police visited the home of Late Rice Friday morning with a search and seizure warrant and a strong anticipation that they would find evidence that Rice was violating the liquor law. Nothing was found that could be used as evidence against Rice.

State's Attorney Robinson issued the warrant after complaint had been filed against Rice. Last December Rice was convicted of violating the liquor law.

LONERGAN MAKES GOOD PROGRESS

Contractor Walter Lonergan reports the progress on the hard road construction east of the city. There yet remains about 4,000 feet of unfinished road between Jacksonville and the Sangamon county line. Mr. Lonergan states that he expects to have the strip finished within the next ten days.

As soon as the pavement on the east border of county is finished Mr. Lonergan will move a portion of the equipment to the Morton road and finish the unpaved portion connecting up with the city pavement.
